**Re: *Ilaria Bulgari v. Veronica Bulgari*, No. 22 Civ. 5072 (LGS) (RWL)**

Dear Judge Schofield:

We write on behalf of Plaintiff Ilaria Bulgari pursuant to Your Honor's Individual Rule I.D.3 to respectfully seek leave to file under seal her pre-motion letter in connection with the conference scheduled for July 26, 2023 concerning summary judgment practice. The redacted portions of the letter contain material designated confidential by the Defendant and/or third parties during discovery. Plaintiff believes it would be appropriate to file her pre-motion letter without redaction, but seeks leave to file the unredacted letter under seal in the first instance to give the designating parties an opportunity to seek permanent sealing.

Thank you for your consideration of this request.

Respectfully Submitted,

Application DENIED without prejudice to renewal. The parties' confidentiality designations are not dispositive to the question of whether sealing is appropriate. By **March 12, 2024**, any party that wishes to maintain Dkt. 288 under seal may file a letter motion, not to exceed two pages, providing a basis for sealing that is sufficient under Second Circuit caselaw.

The Clerk of Court is respectfully directed to maintain Dkt. 288 under seal pending a potential renewal of the motion to seal, and to close the motion at Dkt. 286.
